NICOLAS FERRO

Native English and Spanish

Qantica | Operations and Strategy Manager

Mar 2026 – Present

• Reviewed a 48-month financial model for inconsistencies in revenue scenarios, staffing and cash flow; coordinated corrections for management review.

• Revised investor materials using stakeholder feedback and kept editable, HTML and PDF versions consistent.

• Selected and implemented a CRM for 100+ investor contacts, with ownership and follow-up tracking; configured activity reporting.

• Coordinated follow-up on website and cloud-migration plans, documenting requirements, task dependencies and unresolved decisions.

• Created an English-Spanish visual portal prototype for institutional and writer-contest workflows; checked content and layout on desktop and mobile.

• Communicated directly with authors, investors and production companies.

Qantica | Business Planning Intern

Aug 2025 – Oct 2025

• Supported business-plan development, scenario analysis, market research and presentation preparation for prospective investors.

University of Colorado Boulder | International Policy Research Assistant

Aug 2024 – May 2025

• Researched China’s economic and diplomatic influence in Latin America and U.S. policy responses; synthesized primary and secondary sources into analytical briefs and presentations.

M2M Capital | Data and Marketing Intern

Dec 2020 – Aug 2021

• Cleaned and standardized databases for performance and risk analysis; prepared marketing and investor presentation materials.

EDUCATION

University of Colorado Boulder | Bachelor of Arts in International Affairs | Aug 2025

TOOLS

Zoho CRM; Excel (everyday formulas, sorting and filtering), Word, Outlook, PowerPoint, Google Workspace including Sheets; ChatGPT, Claude and Manus for analysis, prototyping and output checks.
